McLAREN VALE

This region has a Mediterranean climate with wet winters, dry summers and plenty of sunshine. The proximity to the St. Vincent Gulf, coincidentally named after the patron saint of winemakers, benefits fruit quality with warmer spring and autumn conditions and cooler summers. McLaren Vale is renowned as a premium wine region of great beauty that consistently produces wines of the highest quality with rich flavours.

DAVEY FAMILY VINEYARD

The Davey Family Vineyard is located in the Willunga Basin at the southern end of the acclaimed McLaren Vale Wine Region. Brothers Kym and John Davey planted the Davey Family Vineyard on land that the family has owned since 1959. This site is dedicated to producing high quality, intensely coloured and flavoured grapes, utilizing innovative canopy management and progressive viticultural techniques. Each year, award-winning Shingleback winemaker, John Davey, reserves select parcels of wine for sale at our McLaren Vale Cellar Door. As we have no Cellar Door outside South Australia, we are now making these exclusive wines available to our export customers.

VINTAGE NOTE

The 2007 vintage will be remembered for the driest winter and spring on record. Early recognition of the severity of the drought triggered supplementary irrigation as early as bud swell. Unlike many other areas McLaren Vale was unaffected by frost. The environmentally sensitive use of recycled water to supplement underground water resources allowed the establishment and maintenance of balanced canopies. Yields were well down, due to small berries and loose open bunches. Rain in January caused some minor berry splitting but breathed new life into the vines. Split berries shrivelled away cleanly and the only detrimental effect was on yield. Steady ripening has resulted in intensely flavoured fruit with the red wines showing vibrant fruit and textured tannins.

TASTING NOTE FROM JOHN DAVEY, WINEMAKER

Brilliant pomegranate red. Lifted, perfumed aromas of rose petals and summer berries along with mouthfilling flavours of raspberries and citrus. Sangiovese and Grenache varieties are selected for their bright, fresh flavours, which are enhanced by the winemaking techniques, to produce this complex, layered wine. The hint of residual sweetness is balanced by a fresh acidity. Enjoy this fun Rosé chilled and in its youth.

VINEYARD SOURCE

McLaren Vale

VARIETY BLEND

85% Sangiovese
15% Grenache

BOTTLING

Alcohol : 12.7%
pH : 3.28
TA : 5.7 g/L
RS : 9.5 g/L
